Richmond County Board of Elections 2013 Precinct Plan

Please be advised that the Richmond County Board of Elections will conduct a public hearing to provide information and to seek input and comments from all interested citizens on its proposed 2013 Precinct Plan. The proposed 2013 Precinct Plan would add an additional Advance Voting Site increasing the number of Advance Voting Sites from 3 to 4 and would consolidate certain precincts thereby reducing the number of Election Day Polling Sites from 50 to 44. Any changes resulting from the proposed 2013 Precinct Plan would go into effect for the 2014 Election Year.

The public hearing is scheduled for Tuesday, October 15, 2013 at 6:00 PM at the Main Library located at 823 Telfair Street, Augusta, Georgia.
